To whom it may concern:

With much enthusiasm, I am writing to recommend the services of the US Restoration, LLC and Wayne Catalano.

In September 2017, I hired US Restoration for hurricane recovery operations at our St. Croix, USVI Cruzan Rum distillery. Their performance exceeded expectations and they helped our local team with repairs and clean-up necessary to resume operations.

US Restoration did such a good job in their 12 days performing restoration operations after hurricane Maria that we brought them back again to perform other hurricane-related projects on our site.

If needed by us again, US Restoration will be hired in the future.

I'm happy to recommend the services of US Restoration. If you have any questions, please feel free to contact me.

Most Sincerely,
